LONG LIVE FISH & CHIPS

FLASH MEMORY CARD GAME

You'll need:

Two sets of cards so remember to print each card twice. Then you'll have pairs to match.

How to play:

Lay all cards face down in 4 rows of 5 cards each.

In turn each of the players chooses two cards and turns them face up. If they are the same character (e.g. Fisherman Frank) then that player wins the pair and plays again.

If they are not the same, they are turned face down again and play passes to the player on the left.

The game ends when the last pair has been picked up. The winner is the person with the most pairs, and there may be a tie for first place.
