Although we opened our Simpsons Cheltenham shop in 2009, fish and chips have been in the family since 1976.

We believe that everyone should be able to enjoy great-tasting fish and chips, and that's why we've developed our amazing gluten-free menu. Plus, each of our dishes come with unlimited chips - just ask us for more.

This ethos of ours, and the commitment we have to producing great food, has led us to being crowned as the UK's Number 1 Fish & Chip Takeaway 2016.
