## OUR STORY

Although we opened our Simpsons Cheltenham shop in 2009, fish and chips has long been a family tradition.

We firmly believe that the best fish and chips should consist of good old, no nonsense natural ingredients. Just fish, potatoes and batter - that's it! That's why our batter has no MSG, salt or bulking agents, and absolutely no artificial colours or flavourings!

With us, you know exactly what you're eating - simply tip-top quality fish and chips, yum!

Service charge of **10%** for tables of 10 or more.  
See separate menus for drinks and desserts.
