## OUR FOOD

Did you know, all of our cod and haddock are skinless and boneless? Plus, we ensure that all of our fish comes from sustainable fisheries.

Although we opened our Simpsons Cheltenham shop in 2009, fish and chips have been in the family since 1976.

We believe the best fish and chips should have nothing to hide, so we don't add salt, MSG or bulking agents to our natural batter mix. We source the best quality fish and spuds that we can find and cook them with care. Our ethos and commitment led us to be crowned the UK's Number 1 Fish & Chip Takeaway 2016.

With us, you know exactly what you're eating - simply tip-top quality fish and chips, yum!
